

# Lava SSerial-550 Installation Manual

---

---

Rev. B00

# Hardware Set-Up

**Address Block Configuration**  
(COM Settings)

**IRQ Block Configuration**

## Serial Configuration

1. Put only one jumper on each jumper block, to represent the desired Com & IRQ setting.
2. If you have only one Com port, set up the SSerial-550 for Com 2 and IRQ 3.
3. It is recommended that each Com Port be assigned a unique IRQ by the user.
1. Afin d'obtenir les "COM" et "IRQ" désirés, veuillez n'installer qu'un connecteur par bloc de connecteurs.
2. Si vous avez un "COM," ajoutez la SSerial-550 pour "COM" 2 et "IRQ" 3.
3. On veut avoir l' "IRQ" unique pour chaque "COM" Port.
